# PICTPOINT - THE PHOTO APP

Pictpoint is an application where people can connect their photos to the locations they have traveled to around the world. A "pictpoint" is a combination of a picture and a pinpoint. Users can capture photographic memories and pinpoint their locations. Upload pictpoints in private and/or share their pictpoints with friends via Facebook or Instagram.

Here are more features included in the application:

**Challenges-** Users can participate in photo challenges. They could be possibly featured on our page and other social media platforms.

**Save money feature-** Find participating businesses in your area to receive discounts and promotions.

Download today and be a part of the Pictpoint Community!

# RAINN

The RAINN app gives survivors of sexual violence and their loved ones access to support, self-care tools and information to help manage the short- and long-term effects of sexual violence.

**Find Support.** The app's "Hotline" feature can connect you directly with one-on-one support from a trained support specialist on RAINN's National Sexual Assault Hotline via phone or online chat. It's free, confidential and available 24/7. You can also chat with other survivors in our peer-to-peer HelpRoom.

**Practice Self-Care.** The app's "Self-Care" section contains exercises to help you take a moment for yourself as you heal. They include a Mood Tracker to help you reflect on how you're feeling and figure out the best ways to care for yourself; relaxing visuals from The Monday Campaign to help you destress; and audio exercises from Headspace for calming meditation.
